Dear Rotary Club of West El Paso:

The Center Against Family Violence "CAFV" would like to thank you for the 90 blankets you donated to the families here at our shelter.

Established in 1977, the Center shelters victims of domestic violence and their children at our Shelter for Battered Women. Through the Shelter and our non-residential Family Resource Center, we work with families by promoting safety, legal advocacy, and opportunities that will help them "learn to live again" without violence. All of our services are provided free of charge to victims and their families.

As part of meeting the needs of the community, CAFV also provides counseling to perpetrators of domestic violence through our Battering Intervention and Prevention Program for a nominal fee. Through our Outreach services, CAFV works with the local schools by providing preventive programs and workshops to prevent teen and dating violence. Last year, we were able to reach over 4000 teenagers!

The Center's quarterly newsletter will keep you abreast of our successes and challenges. If you wish to know more about our specific services or about the positive changes that have taken place due to the support we receive from you and the community, please do not hesitate to contact us at 593-1000 ext. 312.

It is with the help of the people like you that we are able to provide hope for a brighter tomorrow for many families in our neighborhoods. Once again, thank you for your generous donation in support of the Center Against Family Violence.

Sincerely,
