Rotary Club of El Paso West
1040 Belvidere
El Paso, TX 79912

Dear Ellen,

I can't thank you enough for what the Rotary Club of El Paso West has done to assure that our community has an adequate blood supply. Your efforts helped us collect 58 units of blood at our Westside Center on Saturday.

As you may well know, El Paso Hospitals require at least 100 pints of blood on a daily basis. Your contribution put us over the top with 131 total units collected that day.

Ellen, please express my gratitude to all the Rotary members who took part in this effort. I especially would like to thank Teresa Cavaretta for helping us organize this drive, and for keeping us organized on this busy day. It truly was a pleasure working with her.

I think you would be pleased to know that the Rotary Club of El Paso West was the first of the Rotary Clubs in El Paso to step forward and take on the District Governor's Challenge! Once again, Thank You.

Sincerely,

David Veloz
