

Directions To Manzano Mountain Retreat

From Albuquerque: Take I-40 East to Tijeras. Exit 337 South and follow it through Chilili to 55. Go west to Torreon. From Torreon look for CR-A003. Turn west (Just before 10 tall pines in a row and MMR sign) and follow the signs to Manzano Mountain Retreat. If you get to the town of Manzano you have gone too far.

From El Paso: Take I-25 North through Truth or Consequences (T or C), New Mexico. Approximately 20 miles past Socorro, NM, take the Mountain Air exit (#175) and go east on US 60 into Mountain Air. There will be only 1 flashing light—at that light turn north (left) go thru the town of Manzano until you see 10 Pine trees on the left. Immediately past those trees turn west (left onto CR-A003) and follow the signs to Manzano Mountain Retreat.
